

Sales Trainer

About Us

WOGOM is a B2B Commerce and Retail Enablement Platform empowering 6,000+ retailers and 450+ sellers across India. We aim to build a connected ecosystem where technology, capital, and commerce converge to help Indian retailers scale with confidence.

Role Overview

The Sales Trainer will develop and implement comprehensive sales training programs to enhance sales team performance and drive business growth. The ideal candidate is a seasoned sales professional with a passion for training and development, excellent communication skills, and a deep understanding of sales principles.

Key Responsibilities

- Develop and implement sales training programs for sales teams
- Design and deliver engaging training sessions and workshops
- Conduct regular assessments and provide constructive feedback
- Collaborate with sales leaders to drive business growth
- Stay up-to-date with industry trends and best practices

Requirements

Must-Have Skills

- Proven sales training experience
- Excellent communication and presentation skills
- Strong understanding of sales principles and practices
- Ability to design and deliver engaging training programs
- Experience with sales performance metrics and analytics

Nice-to-Have Skills

- Experience with sales enablement platforms and CRM software
- Knowledge of adult learning principles and training evaluation methods
- Certification in sales training or a related field

Who Will Succeed in This Role

The ideal candidate is a strategic thinker, problem-solver, and creative individual who is passionate about sales training and development, with excellent communication skills and a strong understanding of sales principles.
