

Sales Trainer

Location: Ahmedabad

Experience: 5 years

Type: Full Time

Department:

About Us

WOGOM is a B2B Commerce and Retail Enablement Platform, empowering 6,000+ retailers and 450+ sellers across India with better Products, Pricing, Credit, and Growth Opportunities. Our goal is to build a connected ecosystem where technology, capital, and commerce converge to help Indian retailers scale with confidence.

Role Overview

The Sales Trainer will design and deliver engaging training programs to drive sales performance and pitch retention. This role will have a direct impact on WOGOM's mission by empowering sales teams to achieve exceptional results. The ideal candidate will bring a passion for training and development to this position.

Key Responsibilities

- Design and deliver sales training programs to drive sales performance and pitch retention
- Collaborate with cross-functional teams to develop and implement training strategies
- Evaluate employee performance and provide feedback to ensure training effectiveness
- Develop and maintain training materials and content
- Train sales teams on company information, company-wise pitches, and product pitches
- Gamify content pitches to ensure employee awareness of major offerings
- Devise strategies to ensure pitch retention

Requirements

Must-Have Skills

- Proven sales training experience with a strong understanding of adult learning principles
- Gamification expertise to create engaging and interactive training content
- Sales expertise to understand sales teams' needs and develop relevant training programs
- Excellent communication and interpersonal skills to collaborate with cross-functional teams

Nice-to-Have Skills

- Experience with onboarding and leadership development
- Knowledge of sales enablement tools and technologies
- Familiarity with sales performance metrics and analytics

Who Will Succeed in This Role

The ideal candidate is a strategic thinker, problem-solver, and creative professional who thrives in a fast-paced environment and is passionate about driving business results through effective training and development. They must have a strong background in sales training, gamification, and adult learning principles, with excellent communication and interpersonal skills.
